Dear Dick:

The Depot has requested that the BC-200 Final Glass Inventory at P&E be retained by them and placed in their Customer No. 1 bonded warehouse stocks. Please have P&E prepare the necessary receipting documents and coordinate this with the Depot. P&E has been notified by cable of the Depot's request.

In view of the above instructions in our 17 March 1959, DPD-1826-59 letter are rescinded.

Very truly yours,
